

Manufacturer Identifier Codes – Table W1 [RT016]

The following table contains the identification codes assigned to manufacturers for use in the Container Manufacturer and Catalog Number (Data structure 017) and the Manufacturer and Catalog Number - Items other than Containers (Data structure 021). Some of the entries may not be in current use but are retained for use in look-back situations. Licensed vendors who wish to have a code assigned for use in these data structures should contact the ICCBBA office.
